Special Inspectors utilizing authorized representatives shall insure the authorized representative is qualified by education or licensure to perform the duties assigned by the Special Inspector. The qualifications shall include: licensure as a professional engineer or architect; graduation from an engineering education program in civil or structural engineering; graduation from an architectural education program; successful completion of the NCEES Fundamentals Examination; or registration as building inspector or general contractor.

I (We) will notify the Bal Harbour Building Official of any changes regarding authorized personnel performing inspection services.

I (We) understand that a Special Inspector inspection log for each building must be displayed in a convenient location on the site for reference by the Bal Harbour Village Building Inspector. All mandatory inspections, as required by the Florida Building Code, must be performed by the County. The County building inspections must be called for on all mandatory inspections. *Inspections performed by the Special Inspector hired by the Owner are in addition to the mandatory inspections performed by the Department.* Further, upon completion of the work under each Building Permit, I will submit to the Building Inspector at the time of final inspection the completed inspection log form and a sealed statement indicating that to the best of my knowledge, belief and professional judgment those portions of the project outlined above meet the intent of the Florida Building Code and are in substantial accordance with the approved plans.
